Makelaar/Broker:

Von Poll Real Estate

VON POLL NL is a fresh, new challenger force in Amsterdam's residential real estate brokerage. Comprising of highly experienced but modern, talented, hard working and client-centric residential housing professionals with their feet on the ground.

We work together as partners because we like and respect each other, are happy to share information and we love our clients.

Emerging rapidly from the centre of Amsterdam, VON POLL NL recently opened our 2nd office, which is the first residential brokerage in Amsterdam's Zuidas district.

The partners of VON POLL specialise in delivering "Perfect places to live in". We understand that our clients are individuals with specific needs, wishes and resources. We work hard to find them the best possible places to live in, love in, be themselves in, entertain in, raise a family in, invest or just chill in!

We understand, of course, that there is no such a thing as PERFECT! But we are all committed to finding the very best solution to our clients' own tastes and specific housing needs.

We are experienced in all types of residential properties, from those built in the 1600's to off-plan homes in future developments!
