

# SeeVue Screen

SeeVue is a high-visibility insect screen woven from durable stainless steel, offering exceptional strength and a crisp, unobstructed outward view. Its fine wire diameter enhances visual clarity while allowing for superior airflow and reliable insect protection.

With a black finish that reduces glare and improves transparency, SeeVue is ideal for windows, doors, and porches, especially in environments where durability and long-term performance are key. It is also safe for use with pressure-treated lumber, making it a trusted solution for both residential and commercial screen applications.

## Specifications

Colors	Black
Widths	91 cm, 122 cm & 152 cm <i>Other widths on request</i>
Roll length	15 m & 30,5 m <i>Other lengths on request</i>
Packaging	Individually boxed

Mesh (weft x fill)	17 x 17 mm
Yarn ø	0,15 - 0,18 mm
Openness factor	68 - 74 %
Aperture	± 1,161 mm x 1,243 mm
Weight	237 - 271 g/m <sup>2</sup>
Fabric Thickness	0,30 - 0,46 mm
Product composition	Stainless steel, black polyester
